

Summer Internship	2 Months
Larsen & Toubro Ltd.	HR Analyst Intern
	Apr'25 – June'25

Pathway Gap Analysis	<ul style="list-style-type: none">Analyzed 150+ exit interviews using Python to extract sentiment & clustered 500+ employee data points, revealing key turnover insights for strategic planning & insightsConducted 5 focus group discussions with 45+ employees (trainees & laterals), uncovering gaps in mentorship, appraisal fairness, and training, which shaped design of tailored career pathwaysCreated a Power BI dashboard, identifying career progression & higher education as top drivers of attrition
Career Pathway Tool	<ul style="list-style-type: none">Explored global level career pathing tools like Phenom, TalentGuard etc. to benchmark KPIs & crafting role-based skill matrix that will result in enhanced employee engagement & retentionDeveloped mock Python Streamlit web app for career pathing & proposed advanced cost-effective predictive solution

Professional Experience	22 Months
Fusion Practices Technologies Pvt. Ltd.	Cloud Solutions Consultant
	Aug'22 – May'24

- Orchestrated data-driven requirements gathering at Fusion Practices for **Insurance Services** London-based customer, fostering development of advanced cloud solutions for premium management
- Conducted interactive workshops using MS Teams for **15+ training sessions** and crafted over 10 technical documents for future reference
- Optimized database using **SQL optimizations**, achieving 20% decrease in query processing time & 15% reduction in data retrieval time
- Crafted 10+ specialized APIs using C# .NET, **extracting data** from varied sources & facilitating rise in **data integration** efficiency
- Implemented ETL process using **Azure Data Factory** to streamline data management from different applications, achieving 25% increase in processing speed and 50% reduction in manual errors
- Engineered cloud-native **Power Apps** solution, boosting workflow efficiency by 20% through **Power Automate** flow synchronization

Fusion Practices Technologies Pvt. Ltd.	Oracle Technical Intern	Feb'22 – Jul'22
---	-------------------------	-----------------

- Lead cross-functional sessions, resolving complex **technical challenges** with 50/50 participation from teams
- Engineered **Oracle Apex** and Database to create 2 applications, utilized REST APIs, to securely handle data interaction

Celebal Technologies Pvt. Ltd.	Data Engineering Intern	Aug'21 – Jan'22
--------------------------------	-------------------------	-----------------

- Orchestrated data migration from 5+ enterprises to Azure SQL, utilizing **Azure Cloud** to integrate data
- Engineered 5+ **Python scripts** with Jupyter Notebook to automate key tasks, resulting in faster workflow efficiency

Academic Record

PGDM – Big Data Analytics	2024 - 26	Goa Institute of Management, Goa	Pursuing
B.Tech (Information Technology)	2018 – 22	Manipal University Jaipur	84.10%
HSC - Science	2016 – 18	Modern Public School (CBSE)	88.80%
SSC - General	2015 – 16	Modern Public School (CBSE)	91.20%

Academic Achievements & Certifications

- Awarded for securing position in the **Top 10 Percentile** by Goa Institute of Management, 2025
- Certified in **Azure Fundamentals (AZ-900)** by **Microsoft** - Foundational knowledge of Azure cloud, 2021
- Certified in **Azure Data Fundamentals (DP-900)** by **Microsoft** - Core data concepts related to Microsoft Azure data, 2021

Live/ Academic Projects

Nifty 50 Analyzer	<ul style="list-style-type: none">Utilized Python & Yahoo Finance to extract 5 years of data for Nifty 50, applying SARIMA for stock price forecastsCreated BI dashboard using DAX to visualize RSI, SMA, EMA, & MACD, enhancing trend analysis for financialsIntegrated dynamic filters & critical signals for customized stock analysis, enhancing investment decision-making.
AI Interview Coach	<ul style="list-style-type: none">Engineered web-based AI mock interview platform, leveraging Google's Gemini pro 2.5 model to create bespoke role-specific questions from user resumes & job descriptionsIntegrated OpenAI Whisper for real-time speech-to-text transcription & performed NLP-based answer evaluation across 5+ parameters like confidence, grammar, and domain knowledge.
Price Transmission Analysis	<ul style="list-style-type: none">Utilized Python for web scraping 5 years of wholesale & retail market data from multiple government sitesApplied econometric tests, including ADF tests, to assess price transmission dynamics for 3 major commodities from production hubs to various states of India, identifying key price determinants

Core Competencies

Software Packages	<ul style="list-style-type: none">Microsoft Power BI, Azure Cloud, Tableau, MS Excel Macros, Power Apps, Power Automate, Oracle Apex
Programming	<ul style="list-style-type: none">SQL, Python, R, PL/SQL, C# .NET
